The Webster to Open First Los Angeles Flagship Boutique at Iconic Beverly Center

LOS ANGELES, May 17, 2018 – Luxury multi-brand fashion house [The Webster](#) will open its first Los Angeles flagship location at the newly reimagined Beverly Center in 2020. The 11,000 sq. ft. boutique will offer an exquisite, perfectly edited collection of designer brands and will be the centerpiece of the intersection of Beverly and San Vicente Blvds.

“We are as selective about our real estate decisions as we are about our curation of fashion brands,” said founder Laure Hériard-Dubreuil. “We are thrilled to be joining Beverly Center as it comes out of its exciting reimagination, and look forward to opening in such a vibrant community.”

Headquartered in Miami, The Webster has premier boutiques in South Beach and Bal Harbour, as well as Costa Mesa (California), Houston (Texas) and SoHo (New York).

“We continue to curate the perfect mix of fashion, food and experiences to ensure Beverly Center stands apart in the market,” said Taubman Chief Operating Officer William S. Taubman. “There is simply nothing like The Webster in LA and we are delighted that the fashion house will call Beverly Center home.”

Beverly Center is owned and operated by Taubman Centers, Inc. (NYSE: TCO). Taubman’s \$500 million reimagination of Beverly Center will be completed by November 2018. Critical focus areas for the project include creating a bright, contemporary and highly accessible exterior and interior that engages the center with the surrounding neighborhood, producing an effortless arrival, parking and departure experience, and offering a perfectly curated retail lineup and superior destination dining. Many new restaurants and retailers, as well as a new 3rd Street Valet, are now open. For more information visit www.beverlycenter.com.
